PET GROOMERS

We appreciate the interest in considering our studio as your ally in Design, Communication, Architecture, Interactive Design and Brand Experience.

studiopaper is a creative studio with collectively 10 years in the market, specialized in the development of brand experiences that captivate, covering most of the contact points between a user and a brand over an integrated approach.

Our mission is to become the perfect partner that gets your business objectives and solves them employing talent and tailored solutions that exceed expectations.

To start your project, please consult the scope and the investment required for its development; however, if there is any doubt or change in the scope, we are always available to review it.

After evaluating this document in detail, you can sign our service contract to formally start the work process.

Everyone in the **studiopaper** team is excited to have the opportunity to participate in your project.

P.S. We know that each project is different and special in its own way. If at any point you require a portfolio reference from any of our services, feel free to request it from our team.

DELIVERABLES

01 / BRAND STRATEGY

Mood-boards

We will be in charge of developing a document with 2 - 3 different concepts that will help us show the project's direction.

This will be captured through images making reference to the objectives the project is trying to achieve.

Graphic Identity

According to the brief review and the approved mood-board, for the identity development in this project we will include:

- Institutional colour palette.
- Patterns or textures if required.
- Typographic selection or custom typography if required.

This material will be presented through a PDF presentation. Once this material is approved, a formal brand delivery will be made consisting of:

- Colour palette in RGB, CMYK PANTONE.
- Pitch approved with brand behaviour images in JPG format.

IMPORTANT!!!

**Studiopaper proposes fonts to be used in the project under a license acquired by the studio. It is important that the client directly buys the rights of use of said fonts for future adaptations of the brand.

02 / BRAND COLLATERALS

Packaging Art

We will develop design and graphic adaptations to brand the following commercial packaging:

- Van Graphics
- Shopping Bag
- Swing tags
- Fragrance labels
- Sales stationery as receipt, return format.
- Thank you card.
- Dog collar tags.
- Stickers & Labels
- Uniform.
- First social posts

**Dielines or technical drawings are not included, they will be quoted separately if r
